

“Won’t Let Go”

I won't let go of me

My head again decided for me
and my heart again is lost in between...
what I see and what I believe
what I want and what I need

REFRAIN

It's all love and this is just a game
I know it in my bones, but the thoughts remain
It's all love and this is just a game
I know it in my bones, but my head aches

Here I am compelled, but nowhere to be
again in tears, again I pray, and again I plead
last time around I offered my dreams
anything to find me some peace

REFRAIN

I hope a tortured soul makes a beautiful me
because I won't let up and I cannot break free
who I am is lost beneath
who I am is lost on me

I won't let go of me

REFRAIN

It's all love, I won't let go
